Support coverage over the festive season

Our office will close on December 24th and reopen on January 4th. During this time we will endeavour to maintain our high level of technical support. If you have any queries during this period please [e-mail](mailto:support@badleys.co.uk) support@badleys.co.uk. We will respond as quickly as possible.

Helen Jones retires

We would like to bid a fond farewell to Helen Jones, who after 25 years at Badleys is about to enjoy her well-earned retirement. The documentation in TrapTester/T7 was all Helen's work, and we hope that our users continue to enjoy her legacy.
